

CAPITAL CAMPAIGN

We are now in the second year of a 5-year capital campaign specifically designed to raise funds to pay off the \$400,000 mortgage remaining on the \$1.6 million gym.

This campaign offers two different ways to give.

A 5-year pledge enables you to spread your donation over a five-year period.

If a one-time donation is more appropriate for your finances,
please feel free to use that option.

Either way, your generosity will mean that you will play a major role
in helping us meet our goal of paying off the mortgage by 2017.

We hope you consider all the great opportunities and memories
you and your family have enjoyed as member of Sokol.

Please consider a financial donation to help support our efforts
In this most critical mission

Thank You!
