

Easter Egg Hunt in Czech Cultural Garden

Saturday, April 8th at 1:30 pm

The Czech Cultural Garden will host an Easter Egg Hunt for youth 10years and younger. The Garden is located at 880 East Blvd., just south of St. Clair.

This short activity, no more than 1 hour, will give the youth and adults an opportunity to visit the Czech Garden. Easter Bunny will be available for photos and the children will be divided into age groups to make sure the younger ones have a good hunt too. PIAST dance troupe will perform several seasonal dances, including the Pisanki.

Coffee, juice boxes and pastry will be available, all for free. This event is open to all nationalities, we expect youth from other gardens and local community to take part and hope this will turn into an annual event. No reservations required. Free parking by the garden

Dancers of the Piast troupe perform Easter themed performance recently.
